Statement of Participation

Hereby I state that

Shreyas Girish

Universitat Politècnica de Catalunya

attended

PUMPS+AI ACM Summer School

on July 8th-12th, 2024

Learning outcomes: Be able to design algorithms (including deep learning / AI) that are suitable for accelerators. Understand the most important architectural performance considerations for developing parallel applications. Be exposed to computational thinking skills for accelerating applications in science and engineering. Engage computing accelerators on science and engineering breakthroughs.

Total Nº. of hours of the training course: 32,5 hours

Barcelona Supercomputing Center
Plaça d'Eusebi Güell, 1-3, 08034
